Mr. Manning will accompany Alberta public officials and elected policy makers when they meet with U.S. Federal officials such as the Department of State and the Department of Energy. He will also support such meetings with U.S. Federal and State elected officials, their staff and administration.

A key role will be public presentations when called upon by organizations such as the National Conference of State Legislators, the Energy Council and the Canada U.S. Mexico cross border forum. In some cases, Mr. Manning will attend and monitor the discussions, in other cases he will present orally or with power point at those conferences. In some cases he will attend as Alberta or Canadian officials make presentations.

The primary discussions may turn on the trading relationship between Alberta and the U.S. Alberta is interested in expanding energy exports, particularly to U.S. markets and infrastructure projects such as the Keystone XL pipeline are seeking approval before U.S. regulatory agencies. It will be Mr. Manning's role to support public education and advocate for a better understanding of the economic and energy security benefits of Canadian Energy for the U.S.

Mr. Manning, through oral briefings with the Deputy Minister, will discuss and inform the Ministry on issues and events which may impact on Alberta's trading relationship with the U.S. He will interpret and advise on trade and political issues that may impact context and messaging as Alberta seeks to increase awareness of the benefits of that relationship. As Alberta works to expand trade to U.S. and investment in to Alberta, Mr. Manning will endeavor to inform conference audiences of the advantages and benefits of Alberta trade, particularly in energy.
